Upfit your vehicles fast.

UPFIT YOUR VEHICLE FAST!

YOUR URGENT SOURCE FOR COMMERCIAL VAN & LIGHT TRUCK EQUIPMENT

OUR PROMISE

FAST TURN AROUND: As business owners, we understand that time is money, your vehicles are only useful if they are on the road and working for you! We guarantee a turnaround of two business days from receiving your order, if parts are not in stock then two business days from receiving the parts.

CONVENIENCE: We are centrally located in the City of Chicago, within 2 miles of two major interstates. Not only are we easy to locate, we also have pickup and drop off services (restrictions apply).

QUALITY CONTROL: We verify all equipment and installation, with a thorough inspection, and corrective action (as needed). All of which is backed by our warranty.

LEADERSHIP: Whether professional development, customer service, upfitting installation, or partnerships, we are committed to industry best practices at every level. Making our clients better is a result of doing business with us.
